

Dear Media Representative:

Please find all Media Kit elements on this Web site for Rob Harrison, aka “The Tumbling Bear,” who will be performing at an airshow near you!

Mr. Harrison would be happy to talk with you and/or members of your staff at your convenience to discuss further his participation in the upcoming show and answer any questions regarding his lengthy, interesting aviation career.

A DVD is available to give you some idea of what show attendees can expect to see from “The Tumbling Bear,” whose performances and interaction with onlookers (both in the air on the ground) are especially well-received by young people. Please let us know if we can mail you a copy.
